

INVITATION

We have the honor to invite you to participate to the third Workshop of Electromagnetic Compatibility **CEM 2007** organized by the National Institute of Research-Development for Electrical Engineering INC DIE ICPE-CA, Bucharest, Romania.

The aim of the workshop

The workshop will be a good reason for the dissemination and promoting of the Romanian and foreign scientific researches results, knowledge of the newest achievements in the approached thematic domain, the maintaining of direct contact among the specialists, opening, development of the new research directions, identification of the creating possibilities of some consortia with the polarization of the values research forces regarding the approaching of some large projects and participations to the European research programs.

The Workshop Thematic

It will approach the following aspects:

✚ electromagnetic compatibility in the domains: electronics, communications systems, industrial systems;

✚ human exposition effects to the electromagnetic fields;

✚ problems regarding the measurements.
